Re: *Optionality Consulting v. Edge Technology Group*  
Case No. 18 Civ. 5393 (ALC)(KHP)  
Letter-Motion to Adjourn Settlement Conference

Dear Judge Parker:

We represent the defendants in this matter. We and plaintiff's counsel jointly request an adjournment of the settlement conference currently scheduled for November 2, 2021. During our status conference on September 29, 2021, the Court indicated that if the parties believed that a November 2, 2021 settlement conference would not be fruitful, they should write to the Court in mid-October to request an adjournment until a later date. The parties have discussed this and jointly request an adjournment of the November 2, 2021 settlement conference until a later date to allow the parties to continue their discovery efforts in hopes that a future settlement conference may be more beneficial. If the Conference is adjourned, we also request that the deadline for the filing of pre-conference submissions, currently October 26, 2021, be extended accordingly. This is the parties' first request for an extension of the settlement conference.

Respectfully,

Charles Cummings
